The LEGEND

1959

CHIEF LOGAN JOINT HIGH SCHOOL

Through the Years of Education . . .

There has been exerted a tremendous effort to instill within the student an insatiable desire to achieve in all ways of school life and to attain the ultimate goal of success and happiness in living.

Such a program has been created and conducted by the faculty and administration by sustaining a high standard of instruction and curriculum, in the encouragement and support of extra-curricular activities, and with the convenience of proper facilities.

Because of this effort, progress has been made *in the improvement and development of leader*ship and citizenship in our community and our country.

The Seniors of 1959 are greatly honored to be the first Class to graduate from the new Chief Logan High School. It is with deep regret that we leave our school after having spent twelve colorful years here. As we look back on grade school, then Junior High and finally Senior High, we remember many events that will forever remain in our memories. Study, along with Yearbook, Class Play, Band, Chorus, Student Council, School Newspaper, and other extra-curricular activities, provided a year of hustle and bustle for the busy Seniors. The Shakespearean Class Play was one of the biggest events of the Senior Class. Thanks to Mrs. Steele, Mr. Masemore, and Mr. Lash, the play was a big success and everyone hated to see the curtain fall. Yearbook meetings took up a lot of time but it was worth it, wasn't it, staff? We shall not soon forget the Washington Class Trip. Such events as Forensics, the Football Queen Dance, the Snow Queen Dance, the Christmas Dance, and last but not least, the Prom, also added to our many activities. As the time of graduation approaches, we prepare to enter a new life. We can only wish for a future as interesting, colorful, and challenging as our past!

The Senior High Chorus is another of the many hard working organizations of our school. Mrs. Rodgers, Director of the Choral Department has selected pieces of music with which the chorus works diligently to prepare for presentation at the Spring Concert. This annual concert is attended by many and everyone enjoys the delightful music.

Other activities that the choral people can participate in are: Concert Choir, District and County Choruses and Ensembles. The Chorus excluding the Senior members, also sings musical selections for the Baccalaureate Service and the Commencement Exercises of the Senior Class.

This year we were host to County Chorus. The guest director was Mr. Richard Thorne from State College. Schools that participated in County Chorus were: Rothrock, Kishacoquillas, Lewistown, and Chief Logan. It was held on the 12th, 13th, and 14th of March, the concert being held on the evening of the 14th. Twenty boys, twenty-seven girls, and two accompanists attended from our school making a total of forty-nine. Registration was Thursday evening, March 12. Approximately 185 registered from the four schools. Great preparation was made for the tremendous performance that was put on the night of the concert.

District Chorus was held at Clearfield the following week. The following five students were selected to represent Chief Logan: Sandy Hughes, Jane Harpster, Larry Treaster, Bruce Brower, and Eugene Dobson.

JUNIOR CHORUS

Flutes, Alto Clarinet, Bass Clarinet, Oboe, Bassoon.

This year the instrumental practice rooms provide ample space for Mr. Check to give members of the band individual lessons. The full band consisting of 97 members has the task of providing festive half time music and activities at football games. Another annual event is the Christmas program, at which the band gives a good accounting of itself. Many hours are spent in practice for the spring concert. This program is made up of various types of band music and could be classed as the climax to a year well spent.

Mr. Check, our capable director, has been with us for five years and has had the pleasure to send many members to County, District, and State Band.

COUNTY BAND

Chief Logan was represented at all three concerts. Thirty-eight went to County Band which was held at Lewistown. Seven went to District which was held at Hollidaysburg and proudly we say, one went to State, held at Blairsville, Pennsylvania. Representing us at District Band were: Linda Harpster, Ellen Shahen, Eugene Dobson, Martha Reiss, Larry Treaster, Charles Johnson, and Bruce Brower. Representing us at State Band was Ellen Shahen. We congratulate these students and wish them the best of luck in furthering their musical careers.

The future of our Senior Band depends upon the musical ability of the members of our Junior Band. These young musicians, under the able direction of Mr. Scott, work hard to uphold our school's fine reputation in music.

A big event in the lives of these band members, musically speaking, is the Spring Concert. Long before spring everyone starts to practice and does his best to prepare for this important affair. Among the other activities of the Junior Band are various parades during the Fall.

During Pennsylvania Week the band combined efforts with our Senior Band to display its fine musical talent at a Varsity football game.

Approximately fifty students were contestants in the 1959 Pennsylvania Music and Forensics Competition. These events included: a play, a debate, original oration, humerous declamation, extemperaneous speaking, radio speaking, and Shakespearean reading, also various musical numbers. The county Forensics Contest went on to District finals at Juniata College in the beginning of April. The teachers who had charge of Forensics at Chief Logan were: Mrs. Rodgers, Mr. Check, Mrs. Steele, Mr. Lash, and Mr. Masemore.

The Senior Thespians this year went all out dramatically when they tackled a five-act comedy, "Midsummer Night's Dream" by William Shakespeare. Practically every member of the senior class took part in some way in the production of the play. The cast included fifty-three people, but equally important to the success of the play were the publicity staff, stage crew and the ticket salesmen.

The play was coached through the combined efforts of Mrs. Elizabeth Steele, Mr. Ira Masemore, and Mr. Stark Lash.

On December 13, 1958, the play was presented to a matinee audience and an enthusiastic evening audience. The use of Elizabethan costumes and stage props made the play more authentic since it was originally staged during the reign of Queen Elizabeth II. The background music, both on record and piano, was that of Felix Mendelsohn who wrote it especially for this classic. Extensive lighting effects, managed by Mr. Stark Lash and Mr. Bruce Davis, added a professional touch to the production.

HER KISSIN' COUSIN

For our first venture into dramatics, we, as Juniors, presented a three-act comedy entitled, "Her Kissin' Cousin." Although the actual cast included only eight students, many of our classmates participated in behind-the-scene activities. Many worked on advertising, make-up, scenery, and various other jobs which were necessary for the success of the play.

Due to the combined efforts of the cast under the experienced direction of Mr. Stark Lash, our first adventure into the dramatic world was a successful one.

Student Council Officers.

The Student Council is our new form of student government. This group is comprised of a representative, and an alternate selected from each home room. The Council is indeed an active group and does its best to promote harmony throughout the school.

Through the Student Council, each and every student has a voice in the government of the school. Each representative brings in the problems or suggestions of his home room, and they are considered in the Council. These discussions are lead by the President, Charles Johnson and advisor, Mr. Woomer. As a result of these discussions, healthy attitudes toward the school and its activities are developed.

LIBRARIANS

The spacious library is another of the many attractions that lies within our school. Our librarian, Mrs. Theodore Edwards, has worked very hard to get the library in order. Forty capable student librarians assist in keeping the library organized.

There are two conference rooms, two storage rooms, and a large counter-desk which adds to the convenience of those using the library. Tables and chairs provide ample space for library research and study. All students have the privilege of using and enjoying these facilities.

May I have this book renewed please?

Future Teachers of America is a recent organization which was added to our many clubs provided for the Student Body. This club, under the supervision of Mrs. Elizabeth Steele, is composed of students interested in learning more about the teaching profession.

Some of the activities that add color to the F.T.A. are Field Trips to various Colleges, Cadet Teaching in Elementary Grades, and Guest Speakers. Once a month a county F.T.A. meeting is held in which various schools of the county participate.

The F.T.A. members obtain a great personal satisfaction to know that they are preparing themselves to further our country's education by learning better methods of teaching.

An organization of great interest to many Chief Logan girls is the Tri-Hi-Y, a Christian group in conjunction with the Burnham Y.M.C.A. Weekly meetings are held along with various activities. There is a membership of approximately sixty sophomores, junior, and senior girls. Advisor to the Tri-Hi-Y is Miss Mary Jane Lauster.

One of the Tri-Hi-Y projects is sponsoring the annual Snow Queen Dance. Chosen to reign as Queen for this year was Linda Harpster. Her attendants were Jean Elliott, Pat Hartman, Pat Henry, and Marian Spigelmyer.

COACHES

Our only fall sport, football, is the most widely patronized sport, by students, parents and townspeople alike. There are three divisions of football: Varsity, which includes members of the eleventh and twelfth grades. Varsity "B" team, included in this squad are students of the ninth and tenth grades. The Junior High team includes members of the seventh and eighth grades.

This past season the Varisity team did well considering only two players remained from the previous year.

Andrew Radi, Jr. joined the coaching staff this past year as head coach; he came to us from Northern Bedford County High School. Steve Prisuta joined us this year also as line coach.

The Varsity Club is an organization that promotes good sportsmanship, loyalty, and strives to maintain better athletes in our school. To qualify for membership in the club, a boy must have received a letter for a varsity sport. To qualify for a jacket, a boy must have taken part in two successive years of *competition in a major* varsity sport plus earning a letter in one of the two years and competing in his senior year.

Being a self-supporting group, funds are raised through dances and various other activities to earn money to purchase jackets for club members who are entitled to them.

Basketball is one of our fastest, hard-fought sports, it requires a lot of stamina and skill. The Junior High and Junior Varsity give the boys the experience necessary to play varsity basketball. Our Varsity Team has shown lots of spirit and those games lost were lost only by a small margin.

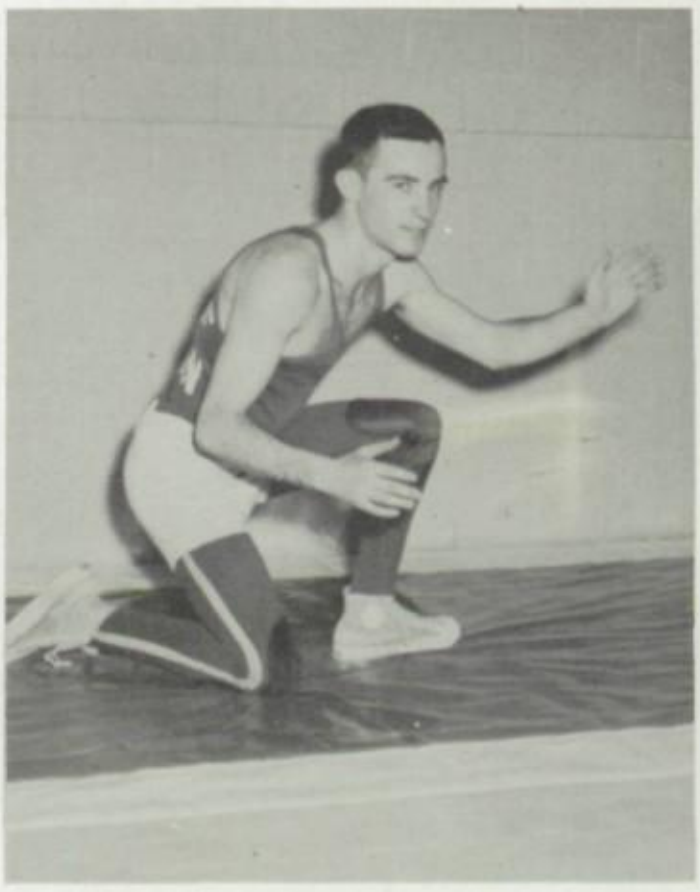
Senior Lee Gilbert

A combination of strength and skill is required of each member of our wrestling squad. Wrestling is one of the few sports where each boy may match his individual skill with that of his opponent.

Last year, Clair "Cubby" Bair, a Junior on our present squad, was runner-up in the District Six finals. This year, Cubby again proved himself to be an outstanding member of our squad.



Senior Wesley Magill

The two Senior wrestlers this year are Lee Gilbert and Wesley Magill with Gilbert wrestling at 165 and Magill at 112.

Wrestling is in its eighth year at Chief Logan and this year it was under the direction of Coach Donald Fuhrer and assistant Coach Ray Matthews.

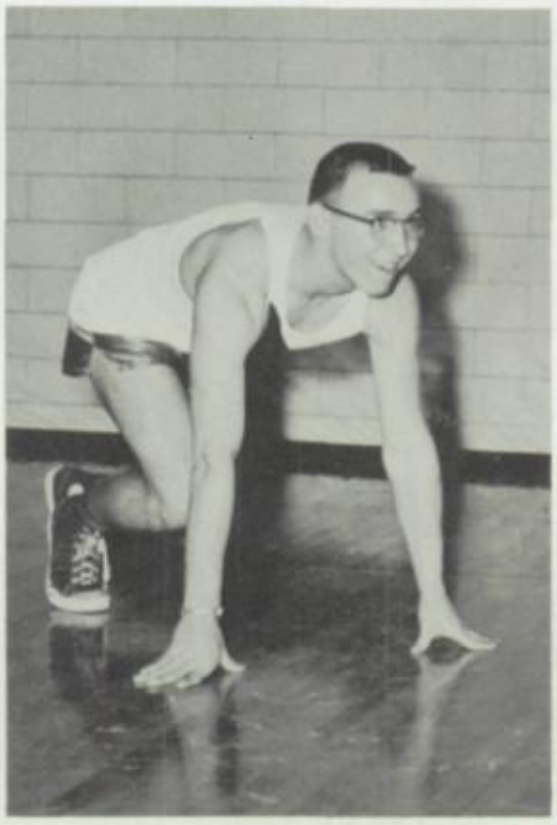
TRACK TEAM

Senior: Walter Harpster.



Senior: Fred McKinley.

With spring great activity begins in the field of sports at Chief Logan. Baseball and softball are the most popular sports played in the spring as track is a recent addition to sports activities. Softball is the only sport the school offers in which girls may participate. Under the coaching of Mr. Richard Householder, girls from the Senior High practice diligently to make the team. Much practice is also needed for track, although it's only in its second year. Last year we competed in four dual meets with Huntingdon, Lock Haven, State College, and Kishacoquillas. Some of the events coming into the general heading of track are: shot put, hurdles, discus, javelin throwing, dashes, distance races, relays, high jumps and broad jumps. There were only two Senior boys on the track team, Fred McKinley and Walter Harpster. The rest of the team was made up of underclassmen These boys were under the training of Mr. Joseph Shirk. Baseball, under the coaching of Mr. Donald Fuhrer, is the oldest sport of the spring activities. There were three Senior boys on the team. They were Ron Gingrich, Ron Moore, and Joe McMullen. Approximately twelve games were played.
